Council Bluffs

GLIDDEN TOURISTS TO STOP

Fifty Cars Will Be in Council Bluffs Night of July 21.

PLANS FOR ENTERTAINMENT

Banquet in Pavilion at Lake Manawa and Reception at Elks' Club House Arranged—Committees are Appointed.

That Council Bluffs is to be the official stopping place of the Glidden tour automobilists on the night of July 21 has been confirmed in a letter received by George S. Wright from Frank B. Hower, chairman of the contest board of the American Automobile association. The letter received by Dr. T. H. Lacey, president of the Iowa State Automobile association late Saturday night was merely a copy of that sent to Mr. Wright by Mr. Hower. Mr. Wright was in Des Moines Saturday and did not arrive home until about midnight Sunday, when he found Mr. Hower's letter awaiting him. The selection of Council Bluffs as the point of control for the Glidden tourists on the night of July 21 is due to the efforts of Mr. Wright, who made a trip to Buffalo to confer with the board of directors of the American Automobile association. Mr. Wright's "persuasive eloquence and his personality," according to Mr. Hower, carried the day in favor of Council Bluffs and it is now up to the members of the Council Bluffs Automobile association, the Commercial club and the citizens generally to carry out the promises of entertainment made by their special envoy, George S. Wright.

At a meeting yesterday afternoon of the Council Bluffs Automobile association, which was attended by several members of the executive committee of the Commercial club and others, plans for entertaining the visiting autists on the night of July 21 and the morning of July 22 were formulated and a number of committees appointed.

Each car in the Glidden contest will contain four occupants and it is expected there will be about fifty entries. This will make 200 visitors to be entertained. Besides this it is expected there will be between fifty and 100 other autists here on that night from different parts of the state. From Fort Dodge a train of Pullmans will accompany the tourists to the end of the tour and the men occupying the contesting cars will sleep in that night, so hotel accommodation will only have to be provided for those accompanying the tourists.

The contesting cars, it is expected, will reach Council Bluffs on the night of July 21, from 5 o'clock on, although Mr. Hower, in his letter to Mr. Wright, says he hopes they will reach here about 3 o'clock in the afternoon.

The visitors will be taken to Manawa in special motors, where they will be entertained at a banquet at the big pavilion. The club house of the Rowing association will be thrown open to them, as will be the club house of the Council Bluffs lodge of Elks. The town is to be elaborately decorated and the autos will be stationed around Bayliss park, which will be properly lighted.

Efforts will be made to induce the railroads to run excursions from nearby points so that the people of this section may have an opportunity to see the tourists and their autos.

The following are the committees appointed yesterday: Executive committee: Dr. Donald Macrae, Jr., chairman; J. G. Wadsworth, Charles R. Hannan, Jr., C. T. Stewart, Dr. B. Lacey, Thomas Metcalf, Harry Sealie, George Van Brunt, George S. Wright, Dr. H. B. Jennings. Finance committee: J. G. Wadsworth, H. W. Binder, E. Bender, H. A. Quinn, George Van Brunt, C. W. McDonald, Dr. B. Jennings, George S. Wright, Dr. H. B. Jennings, Charles T. Stewart, Charles R. Hannan, Jr., Dr. T. B. Lacey.

Railroad committee: J. C. Mitchell, John E. Swan, C. A. Searight, I. G. Hipley, G. O. Smith, A. T. Elwell, Miss Clara Barton, George S. Wright. Park and street lighting: A. C. Graham, Mayor Thomas Maloney, J. C. Jensen, Otto Skodsholm, Donald Macrae, Jr., J. E. Hollenbeck, E. E. Hart, S. S. Elliott. To arrange with the Elks for entertainment: Charles R. Hannan, Jr., Frank Children, T. Davis.

Lake Manawa committee: C. T. Stewart, Emmet Tinley, C. R. Tyler, C. F. Harl, E. H. Lougee, Harry Haas, J. F. Gloox, C. Hafer.

General reception committee: E. H. Doody, D. E. Stuart, Dr. T. B. Lacey, Dr. Macrae, Jr., and Mayor Maloney, with power to appoint subcommittees.

Decorations committee: Charles A. Beno, Thomas Metcalf, Roy Wilcox, A. C. Graham, A. E. Hunter, L. C. Emphie, E. Rosenfeld, M. A. Tinley, Henry Sperling, Lyman Shugart.

Amusement committee: H. A. Seale, J. A. Beresky, Dr. H. B. Jennings, Harry Van Brunt, Oscar Keeline, Thomas Farnsworth, Anderson.

Special police committee: George H. Richmond, B. M. Sargent, Louis Zuercher, Dr. H. B. Jennings, A. L. English, F. J. Day.

Publicity: V. E. Bender, C. P. F. Fromm, P. W. Whittier, John H. Clark, Jr., C. M. Ketchum.

Committee to meet Denver autists: E. W. Hart, George Van Brunt, Fred Emphie.

Sperling & Triple's automobiles are certainly in demand. On Monday and Tuesday last one they sold to William Casson of Neola, Ia., a four-cylinder forty-horsepower machine; H. M. Thomas of Hardin township, a four-cylinder forty-horsepower machine, and to the Graham Avenue Grocery and International delivery auto wagon, and to I. Muel of Council Bluffs an International auto wagon. Mr. Muel has found these machines so useful that he makes the second he has purchased from Sperling & Triple.

More Appeals in Damage Case. Notice of appeals from the action of the Board of Supervisors establishing the Nishnaboth drainage district, other than that of the Rock Island railway, were received yesterday by County Auditor Innes from J. D. Harris, Amy G. Gregg and Amanda V. Gregg, executors of the estate of Joshua H. Gregg. Each notice of ap-

peal was accompanied by the required bond in the sum of \$500.

The Greggs have filed notices of appeal to the district court at Avoca, instead of to the district court at Council Bluffs. W. H. Kilpatrick, attorney for the drainage board, expressed the opinion yesterday that the appeals are not triable at Avoca, but the attorney for the appellants contends that since both the property involved and the parties who appeal are in the eastern portion of the county, the hearing may properly take place at Avoca.

Yesterday was the last day for filing appeals from the action of the board, both as to the establishment of the drainage district and the awarding of damages. Several appeals from the amount of damages awarded by the board have been filed.

GOODRICH FINED FOR CONTEMPT

Saloonkeeper Assessed \$500 for Violation of Court Order.

E. C. Goodrich, proprietor of a saloon at 213 South Main street, charged with contempt of court in that he was alleged to have violated an injunction restraining him from the illegal sale of liquor, was fined \$500 by Judge Wheeler in district court yesterday. He was also assessed an attorney fee of \$25 and the costs of the fine, attorney fees and costs.

The proceeding, Goodrich was charged, sold a case of beer to Harry Sentz, a minor, on a Sunday in May of this year. The sale was alleged to have taken place in a room in the State hotel, in which building the saloon is located.

Goodrich declared his intention of making an effort to secure a writ of certiorari from the supreme court, which would have the effect, upon filing a bond in the required amount, of suspending judgment in the lower court until an appeal could be determined. In order to secure his release from custody Goodrich deposited with the sheriff a certified check for the amount of the fine, attorney fees and costs.

Injunctions were obtained against eighteen saloonmen, the defendants waiving all technicalities in order that they might be in shape to start all over again on July 1 with a clean bill of health, so to speak. The saloonkeepers and the reputed owners of these places are expected to be between fifty and 100 other autists here on that night from different parts of the state.

Creighton Real Estate and Trust company; Fred Rapp and Independent Realty company; George W. Jackson and Mrs. Katherine Ritter; Charles Johnson and Barnhart & Klein; Ned Skriver and J. Kelley; James Mithen and Cassell company.

In all of the cases except that against James Mithen, the state of Iowa is plaintiff, the suits having been brought by County Attorney Heas. In Mithen's case R. F. C. Chambers, district superintendent of the Iowa Anti-saloon league was the plaintiff. Chambers is also plaintiff in similar suits against F. L. Owens of the Tremont House bar, and W. A. Gray, proprietor of the Metropolitan hotel, and at the request of M. S. Odle, attorney for the Anti-saloon league, who was in Council Bluffs yesterday, County Attorney Heas will prosecute these two cases as he did the one against Mithen yesterday.

The county attorney commenced yesterday an injunction suit against John Erickson, who conducts a saloon on South Main street. Erickson is the owner of the building, in which was held yesterday, in which was held yesterday, a saloon at 320 West Broadway, and a few days ago was fined \$250 by Judge Wheeler for violating an injunction.

M. S. Odle, the attorney for the Anti-saloon league, came to Council Bluffs yesterday to look into the matter of the new general petition of consent recently carried by the saloonmen of this city. The Board of Supervisors will meet Wednesday to take action on the petition, but Mr. Odle told County Auditor Innes yesterday that it was doubtful if he would be able to attend the meeting, as he had to be in Crawford county.

It is not known how successful the anti-saloon forces have been in securing withdrawals of signatures from the petition of consent, as those in charge declined to give out any information yesterday. The withdrawal statements are in the office of F. C. Lougee.

PROCEEDINGS OF CITY COUNCIL

Street Railroad Given Permission to Close Pearl Street for Few Days.

The city council last night granted permission to the street railway company to close Pearl street from Broadway to the alley north of First avenue and the south side of Broadway at the intersection of Pearl street to traffic for a few days while relaying the switching tracks at this point. According to a statement made to the city council the company expects to lay the new rails at midnight Wednesday and the work of relaying the paving, it is expected, will not take more than two days. The company, it is understood, has, at the suggestion of Mayor Maloney, consented to replace the granite blocks between its tracks on Pearl street with brick, to conform to the rest of the street.

A petition for the paving of Fifth avenue between Fourteenth and Twenty-first streets was referred to the committee of the whole. Councilman McMillen, who represents the Fifth ward, expressed the opinion that the property between Fourteenth and Eighteenth streets would not stand the cost of the proposed improvement, but that between Eighteenth and Twenty-first street's would.

At the request of the Council Bluffs Automobile association, the council decided to close First avenue between Pearl and Sixth streets, Eighth street between First and Willow avenues and Willow avenue between Pearl and Sixth streets on the night of July 21 to permit of the stationing of the Glidden tour autos around Bayliss park. The council also decided to appropriate \$150 out of the police fund to defray the expense of special policemen for that occasion.

The meeting last night was brief, as the councilmen were anxious to get away from the torrid temperature of the council chamber. An adjournment was taken to Wednesday night in order to accommodate the saloonmen who may seek new permits in the event of the supervisors acting favorably on the new general petition of consent.

Metropolitan Life Insurance Co.

(Incorporated by the State of New York. Stock Company.)
JOHN R. HEGEMAN, President

GREAT REDUCTION OF EXPENSES---INCREASED BENEFITS---LOWER RATES

INDUSTRIAL DEPARTMENT
In January, 1937, the Metropolitan Life Insurance Company largely increased the benefits in its Industrial policies by reason of a heavy reduction in mortality experience.
During the past three years the company has steadily reduced its expenses, so that it is enabled to make further increase in benefits. Industrial insurance policies have a unit of weekly premium—three cents, five cents and multiples thereof—and the amount of insurance varies with age.
All Industrial Life policies (premiums cease after age 74), Endowment policies at age 80 and Adult Twenty-year Endowment.

Policies issued since Jan. 1, 1937, will be increased in benefits about ten per cent.

according to a new table of benefits adopted for policies issued after July 1, 1939. In other words, not only does the Company issue a new table for policies hereafter issued, but it makes the increase retroactive since the present form of Limited Payment and Endowment at age 80 policies were adopted.

Upon the OLD INDUSTRIAL POLICIES the Company is paying out TWO AND A HALF MILLIONS OF DOLLARS IN BONUSES THIS YEAR, bringing up the total BONUSES and Concession upon Industrial policies to EIGHTEEN MILLIONS OF DOLLARS IN SIXTEEN YEARS. This is OVER AND ABOVE ANY AND ALL OBLIGATIONS expressed or implied in the policies.

The Metropolitan in its Industrial Department has the lowest Ratio of Expense of all the Industrial Insurance Companies in the world which pay immediate benefits. In FIVE YEARS its

Ratio of Expense to Premium Income has been Reduced

Annual Saving of Three and a Half Millions of Dollars

The new Convertible policy issued by the Company is a novel form of insurance which becomes fully paid-up life insurance in a few years and is then automatically converted into endowment insurance, the maturity of which is periodically shortened as payment of premiums continues. The Company is abreast of the public demand for combination of term insurance and annuities, and serves the public better than any other agency. INDUSTRIAL POLICIES IN FORCE: NEARLY 9,500,000, INSURING NEARLY \$1,500,000,000.

ORDINARY DEPARTMENT
The Company has reduced expenses six per cent. in this Department in the last FIVE years—representing an ANNUAL SAVING OF OVER A MILLION AND A QUARTER OF DOLLARS IN THE ORDINARY DEPARTMENT.

The Company issues policies in the Ordinary Department in amounts from \$500 to \$1,000,000 upon all approved plans at the lowest rates. IN 1938 IT WROTE MORE PAID-FOR BUSINESS IN ITS ORDINARY OLD LINE INSURANCE (exclusive of Industrial), in the United States and Canada, THAN ANY OTHER COMPANY.

All of its policies in the Ordinary as well as the Industrial Department are written on the non-participating plan. The Metropolitan pays its dividends at the start—that is to say, it cuts down the premiums. It believes the plain, common-sense men who make up the bulk of policy-holders look for a plain business contract. By plain business contract we mean those which tell their whole story upon their face; which leave nothing to the imagination, borrow nothing from hope, require definite conditions and definite promises in dollars and cents.

In both Departments combined the Company has, each of the past fifteen years, written more paid-for Insurance than any other company in the world.

The Company upon Its Total Business Has in the Last Ten Years Reduced Its Ratio of Expenses to Premium Income Fifteen Per Cent

BECHTEL IDENTIFIES TWO NEGRO SUSPECTS

Brakenham Who Was Shot Near Vail, Ia., Recognizes Men Held at Carroll and Denison.

DES MOINES, Ia., June 21.—Alva C. Bechtel, the Carroll brakenham who was probably fatally shot by two negroes yesterday at Vail, tonight is still alive. He was reported dead last night.

Today he identified Henry Clark and Chesley Hubbard, two negroes arrested at Manilla last night, charged with the murder of Brakenham Lee C. Warner, as the men who did the shooting.

Hubbard was today taken back to Denison for safe keeping and Clark is still in jail at Carroll.

The story of each of the negroes coincides up till the time the shooting took place. Each accuses the other with doing the shooting.

Doctors say Bechtel cannot live, his spinal cord having been cut by a bullet.

MacLean Denies Charge.

IOWA CITY, Ia., June 21.—(Special.)—President George E. MacLean of the University of Iowa and Prof. F. C. Knaght, the university's inspector of high schools, emphatically deny that there is any ground for the criticisms made in the public press concerning prejudices having been shown by the university in accrediting only those schools which employ university graduates as teachers.

MAY VOID VILLAGE ELECTION

Hearing of Contest Suit at Castlewood Comes Before Judge.

Marengo.

SIoux FALLS, S. D., June 21.—(Special.)—The people of Castlewood, county seat of Hamilton county, are taking keen interest in the result of a hearing which is to be held tomorrow before Judge Marquess of the state circuit court, and which involves the legal-

ity of the annual municipal election held at Castlewood last March.

Pending the determination of the suit, Castlewood finds itself in the unique position of being without any legally qualified town officials and no business of any kind can be transacted by the town board.

The suit was instituted by William Walklin, a resident of Castlewood, and was the basis for the granting by Judge Marquess of an order restraining the town board of Castlewood from granting licenses for saloons for the year commencing July 1 next. In his application for the restraining order Walklin questions the legality of the municipal election held in March, charging that gross irregularities were a part of the election and rendered it void.
